Alliance Focuses on education
The Greater Fort Lauderdale Alliance has launched gfl.edu.org to help relocating and expanding businesses understand the diverse, nationally recognized educational options available, including public and private, pre-kindergarten through postgraduate.

A twist on tradition
Hoffman's Chocolates has added a twist to its original ice cream cones by introducing five new flavored waffle cones: birthday cake, dark chocolate, pink vanilla, red velvet and orange **Creamside**.

2000 Ocean Foundation poured
Suffolk Construction had an epic pour of 2,483 cubic yards of concrete for the foundation of KAR Properties' 2000 Ocean in Hallandale Beach. **Amy Ballion of Fortune Development Sales Group** was appointed as the sales director for the 38-story beachfront condominium property.

Naushia Pandya, professor and chair of ASU's Department of Genetics, with students
Grant to help genomics program
Nova Southeastern University's Patel College of Osteopathic Medicine has received a \$3.5 million federal grant to fund a genomics workforce enhancement program. "Whole person geriatric care" training is provided to those who will be on the front lines, working with older adults.

Boat show expanding
The Greater Fort Lauderdale International Boat Show, Oct. 31-Nov. 3, will expand to seven locations for its 60th anniversary. A new 3.5-acre Superyacht Village, with vessels up to 400 feet, will be unveiled across the 17th Street Causeway from the Pier Sixty-Six Hotel & Marina. The Windward VIP Club will move to an in-water location at Bahia Mar and feature a premium open bar, gourmet food offerings and a cigar lounge. fibs.com

Streak preview
 Renowned design firm **EDSA** of Fort Lauderdale is creating strong visual and physical connections to the beach in a Fort Lauderdale city project that redevelops Oceanside Park and realigns Las Olas Boulevard. The project consolidates parking for increased public green space and reinforces walkable connections from water to water.

SFMA business advisor Jay Hess plays a key role in FloridaMakes in South Florida
A big manufacturing impact:
 Florida manufacturers who received services through the **FloridaMakes** network reported more than \$1 billion in measurable economic impacts and created or retained 6,953 manufacturing jobs since the program started in 2016, the **South Florida Manufacturers Association** reports. FloridaMakes' mission is to improve the productivity and technological performance of Florida manufacturers.

2000 Ocean Foundation poured

Suffolk Construction had an epic pour of 2,483 cubic yards of concrete for the foundation of KAR Properties' 2000 Ocean in Hallandale Beach. **Amy Ballon** of **Fortune Development Sales Group** was appointed as the sales director for the 38-story beachfront condominium property.
